Mr. Boland addressed the Employee Pay Matrix and recommended that it be postponed until the second or third quarter of 2010 so that further consideration can be given to the budget and if passed at that time be made retroactive to the first of the year.

Raybourne inquired if evaluations had been completed and suggested taking out the cost of living allowance.

Brush agreed that postponing until there is a review of pending future finances may be wise.

Raybourne expressed concerns with the pay grades that it seems confusing.
